NEW Header Parts for 6F Flex and 6R Rigid Cutterbar Applications

Vapormatic is committed to providing economical and comprehensive solutions for products later in the lifecycle. The range of parts for later lifecycle combines has been extended to include bearings for 6F and 6R series small grain headers and Shaker shoe hanger arms for 9000, WTS, CTS, T and W series combines.

Sourced from specialist manufacturers, this range of parts are manufactured to OE specifications.

These new parts complement Vapormatic's wide range of combine products to cover many applications and keep your machine running efficiently.

For a full list of parts and cross references, please visit www.vapormatic.co.uk
