Tractor Cab

Cab accessories / Cab mount

VPM9072 Pack qty 1

Clamp bar

Accessories New.

- Multifunctional Bracket Clamp that comes with a special rubber gasket to help adjust the installation size for a perfect fit, making the pipe clamp more secure and preventing paint damage.
- Multiple Sizes Available - Sold in a pair and we have 1.5", 1.75", 2" clamp to meet your different requirement. Please measure your bull bar, grille guard, top racks and make sure the diameter is correct before purchase.

Tractor Cab

Cab accessories / Cab mount

VPM9073 Pack qty 1

Clamp bar

A great solution for the problem of holding your LED light.

- Main Usage - It works with LED light bar with side mount screws and bolts, can be mounted directly.
- Quality Material - These led light brackets are made of premium aluminium alloy material, which is sturdy, not easy to aging and abrasion resistant, ensure maximum strength and durability for long lasting usage.
- Multiple Sizes Available - Sold in a pair and we have 1.5", 1.75", 2" clamp to meet your different requirement. Please measure your bull bar, grille guard, top racks and make sure the diameter is correct before purchase.
- Adjustable & Easy Installation - This mount bracket clamp can be rotated 360 degree to adjust height and angle, very easy and straightforward installation, no drilling or welding required. Comes with sponge pads to prevent tractor paint damage, economical and practical.
