New – Massey Ferguson catalogue update

We are pleased to announce the release of the updated Massey Ferguson replacement parts catalogue. The catalogue has been compiled with English, French and Spanish languages to cater for Massey Ferguson's most popular markets. Features parts covering models from the T20 to the 64/7400 series tractors, as well as combines, telescopic handlers and industrial tractors.

This all new catalogue includes an enhanced multi-language technical section with photographs and dimensions of key components at the end of each section for reference purposes. In total, there are over 2300 part references in the catalogue, including 179 new additions to the range, with over 62,000 individual applications.

All Vapormatic quality replacement parts carry a full 12 month parts and labour warranty which, whilst subject to normal conditions of use, correct application and fitting, remains unique in the industry.
