Christmas Gadget Roundup

We take a look at a range of products that not only make great presents, but can be used every day on the farm... [find out more...](#)

BOAT Raffle Raises over £20,000

Vapormatic were at the Newark Vintage Tractor and Heritage Show last month with a great display of products and activities, including Bicton and Lackham colleges and the raffle of the BOAT tractor. [click here...](#)

LED Work Lamps

They last up to 40 times longer than Halogen work lamps, have a massive 440 lumen output but use a fraction of the power. With a solid state design and compatible with power sources of 9-50V, its not hard to see why these LED lamps are the obvious work lamp choice this winter. Available in [square](#) or [round](#) designs.
