## NEW MOLDEX RANGE

Vapormatic has recently introduced a new range of safety products from Moldex, an industry leader in personal protection.

Working closely with Moldex, Vapormatic can now offer you a great range of breathing and hearing protection designed to cope with the demanding farm environment. With disposable and reusable dust masks to meet FFP1 to FFP3 standards, plus disposable and reusable half masks to P2 and P3 standards, we can now cater for almost every need.

If you are unsure which type of mask you need for your particular application, why not download our free Respiratory Guidance document. This guide has a clear, easy to reference table showing the mask rating needed for the particular task at hand, as well as which Vapormatic product is most suitable.
