NEWS

For many farmers your tractor is your office. Long hours can be spent in the cab, so why shouldn't this be a comfortable place to work?

Many people give little thought to the stress and fatigue that can be attributed to uncomfortable working conditions, which is why Vapormatic have put together some suggestions to make your tractor cab a much more agreeable place to work.

Seating

Did you know that 7% of the UK population have some form of back complaint which is associated with poor seating? [read more...](#)

Cab filters

When was the last time you changed yours? [read more...](#)

Cab glass
