High Quality Professional Tools

A number of high quality, professional tools have been introduced to increase our range of accessories for the agricultural market. The range includes a wide choice of power tools supplied in blow molded cases, which not only enhances the look of the product but also provides an easy way to store the merchandise. Vapormatic is delighted to provide these premium quality professional tools at very competitive prices.

VLA1128 – Feeler gauge

20 piece feeler gauge set. Hardened, tempered and polished steel blades. Fold into a steel case for added protection. Locking screw allows blades to be held in position. Size etched on to all blades. Size 1.00mm – 0.05mm

VLA1519 – 3 piece file set

Max blade length 205mm. Rubber coated handles for added grip and comfort which includes hang hole. Containing flat, half round and round files.

VLA1908 – Orbital sander

A quality, variable speed sander which features an ergonomic design with trigger action, lockable handle. Sturdy aluminum base plate (115 x 230mm). Quick change sheet clamps with dust extraction facility.

VLA1911 – ½" drive impact wrench

Variable speed control, electric brake, reversing facility, max torque 230Nm, quality impact wrench, soft grip handle, 3 hour charger, with 1 x 2Ah Ni-Mh battery (order spare battery **VLA1912**)

VLA1910 – Corded jigsaw

A high quality variable speed jigsaw with an 80mm cutting capacity in wood and an 8mm cutting capacity in steel. Features include: laser guiding, dust extraction facility and 2 blades.

Vapormatic quality replacement parts carry a full **12 months Parts and Labour warranty**, which, whilst subject to normal conditions of use, correct application and fitting, remains unique in the industry.
