Vehicle lighting

The latest new product additions are high quality vehicle lighting. These additions have been introduced to compliment the comprehensive range of lighting accessories already available from Vapormatic.

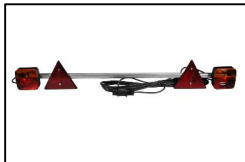

VLC6014 – Trailer light kit (7.5 metre cable)

4 function rear trailer light units are a quick and easy way to wire up your trailer for road use. This product comes in a useful plastic carry case for easy storage and enhanced point of sale display. Comes complete with bulbs.

VLC6016 – Magnetic trailer light kit (12 metre)

4 function rear trailer light units are a quick and easy way to wire up your trailer for road use. This product comes in a useful plastic carry case for easy storage and enhanced point of sale display. Comes complete with bulbs.

VLC6017 – Telescopic trailer light bar (7.5 metre cable)

Ensure you are always legal no matter what the size of your trailer. Extendable trailer light bar (1000mm – 1600mm) complete with reinforced plastic covers, bulbs, reflectors, 7 pin plug and number plate bracket.

VLC6019 – Square work lamp (12 Volt)

Powerful light beam, approximately double the lighting power of the common work lamps. Very wide beam angle. The glass is protected by the shock-proof plastic body and frame. The handle enables an easy adjustment of direction and height of the work lamp beam. The extremely powerful magnet and the coiled-cabled connection with cigarette lighter plug ensure a quick and easy solution to machinery lighting. Equipped with on/off switch

VLC6020 – Rectangular work lamp with magnetic base (12 Volt)

Powerful light beam. The glass is protected by the shock-proof plastic body and frame, with additional hashed frame for extra safety. The handle enables an easy adjustment of direction and height of the work lamp beam. The extremely powerful magnet and the coiled-cabled connection with cigarette lighter plug ensure a quick and easy solution to machinery lighting. Equipped with on/off switch

Vapormatic quality replacement parts carry a full **12 months Parts and Labour warranty**, which, whilst subject to normal conditions of use, correct application and fitting, remain unique in the industry.

This major benefit enables customers to **Purchase and use Vapormatic parts with confidence.**

Vapormatic – The Genuine Alternative
