High performance power tools

The latest high performance accessories product to be introduced by Vapormatic is the free standing pillar drill. This product is designed for semi-professional use and would suit any DIY enthusiast. This compact drill is designed to sit on most work benches and comes complete with a 240 Volt 3 pin plug. Featuring a 500 Watt induction motor, it also includes a 16mm chuck, 12 speeds, tilting / rotating table, adjustable depth stop and telescopic chuck guard. A quick grip machine vice for added safety when drilling is also included.

Features:

- 500W motor
- 16mm chuck
- 12 speeds
- Tilting / rotating drill table
- Table size – 170 x 170mm
- Adjustable depth stop
- Telescopic chuck guard
- Quick grip machine vice
- No load speed – 400 – 2650 rpm
- Drilling depth 60mm
- Height – 620mm
- 3 Pin UK & Irish power plug

All Vapormatic power tools carry a comprehensive 12 months warranty, subject to normal use and applications.
