Rear view camera kit - Monochrome

VLC5034 Rear view camera kit - Monochrome

Without doubt the most stylish – and the most compact – conventional black and white CRT system available! If space in the cab is at a premium, then this is the black and white system for you! Fantastic picture quality from this neat, attractive, and easy-to-fit 4.5" monochrome monitor, which can take either 1 or 2 camera inputs as standard.
Features backlit control buttons for ease of use at night. The compact camera includes six infra-red LEDs for ultra-low light performance.
Contains 4.52 CTR monochrome monitor; Ultra-low light camera; Mounting brackets; 20m cable with waterproof connector.

Additional cables

VLC5033 5m cable with waterproof connector
VLC5032 10m cable with waterproof connector
VLC5030 20m cable with waterproof connector

VLC5035 Cable kit - Quick release, retractable, flexi electrical cable kit. Enables a quick and simple solution for connecting the monitor to mounted cameras on a variety of attachments- including trailers, muck spreaders etc..

Vapormatic quality replacement parts carry a full **12 months Parts and Labour warranty**, which, whilst subject to normal conditions of use, correct application and fitting, remains unique in the industry.

This major benefit enables customers to Purchase and use Vapormatic parts with confidence.

Vapormatic – The Genuine Alternative
