Lamps & Torches

The latest new product additions are high quality inspection lighting. These additions have been introduced to complement the comprehensive range of lighting accessories that are already available from Vapormatic.

VLC6029 – Cyba-Lite Sport LED Headlight
Lightweight and sturdy, this headlight includes five ultra bright high density LED's and is virtually indestructible. The lamp can be adjusted through a 90° angle for ease of use and includes an adjustable head strap with padded front section.

VLC6030 - Rechargeable Cordless LED Inspection Lamp
Suitable for the most demanding of working conditions, this cordless inspection lamp has high and low output settings, weatherproof exterior and includes an integrated hook and belt clip. It also features a virtually unbreakable polycarbonate lens, 26 high density LED's, precision reflector and a separate AC mains charger.

VLC6031 – Compact LED Inspection Lamp
This rechargeable, cordless, high output inspection lamp is ideal for both professional trade and DIY use. Its compact design allows for easy storage when not in use and comes with an integral belt clip.

VLC6032 – Cyba-Lite Elite Torch
Features three high intensity LED's plus an ultra bright Xenon bulb provide extreme brightness. The virtually indestructible LED has a burn time of up to 100,000 hours and a super long-life battery. Focus control on long distance mode.
