### Brake repair kits suitable for John Deere applications

The following brake repair kits have been introduced to increase and enhance our current range of quality tractor parts suitable for John Deere applications. The kits are designed to reduce the time spent looking up individual parts and therefore potentially reduce down time. The kits also contain assembly instructions and adjusters. (Not shown in picture)

The following kits contain:

- 1 x Friction Disc
- 1 x Pressure Plate
- 1 x Piston
- 1 x O Ring Kit
- Adjuster(s) & assembly instructions

#### VPJ7385
