

# New Product Update & Parts Information

## New Valtra / Valmet Catalogue

Bulletin	UK	Export	Issued
1227	Yes	Yes	6 <sup>th</sup> June 2012

### New Valtra / Valmet catalogue now available!

For the first time, the complete range of Vapormatic products for Valtra / Valmet applications is now available in a single catalogue.

The complete publication is 168 pages, with 271 parts and 7759 tractor applications featured.

Included in the catalogue is a comprehensive range of service and clutch items, plus a large range of four wheel drive and brake parts.

Also included are engine, electronics, linkage and cab sections.

The catalogue contains 3 languages (English, French and Swedish), with a choice of 2 covers:

**English: Part No. PAA6014**

**French: Part No. PAC4100**

Copies can be ordered from the catalogue request screen [here](#), or alternatively you can view an online version here (awaiting link)
