

NEW PRODUCT COORDINATOR - ACCESSORIES

Full time permanent role; Monday to Friday; Exeter, UK

Founded in 1949, Vapormatic UK Ltd has grown into a global company, marketing one of the largest ranges of replacement tractor parts and accessories in the world and distributing products to a growing customer base in over 80 countries.

Since 2001 Vapormatic has been fully owned by John Deere, supplying both Deere & Independent dealers with a broad portfolio of all makes quality parts. Vapormatic has its head office based in Exeter (UK) with distributors located throughout the world, offering a comprehensive range of over 30,000 quality parts and accessories for all tractor makes and equipment. Customer focused, Vapormatic is committed to delivering its company values of Quality, Availability, Service and Value.

Reporting into the Portfolio Supervisor, the successful candidate will have key responsibilities to develop, maintain and grow the Vapormatic and JD Accessories portfolios within UK and EU markets, in line with customer & business needs through disciplined reviews of the existing portfolio and project management to introduce new products. The Product Coordinator role is critical in ensuring customer satisfaction, sales success, and operational efficiencies.

Ideally, the successful candidates will have a background in an Engineering/Technology/Agricultural discipline or equivalent, along with extensive product or service development process knowledge.

We are looking for an entrepreneurial, self-motivated, and driven individual who can work on their own initiative, integrates with wide team of stakeholders, and has a willingness to be flexible to meet the demands of the role.

The essential skill set includes: sound commercial acumen, a good command of written and spoken English, as well as competence with the elements of the Microsoft Office Suite, especially excel. Candidates must possess a good work ethic and be able to manage time and resources to deliver business goals.

To be successful in this role, you will need:

- Knowledge of the Agricultural sector, customer needs and market trends
- Experience within whole goods and parts businesses
- Understanding of importance of customer satisfaction
- B2B experience, ideally within commercial and retail environment
- A good working knowledge of Microsoft office programs
- Excellent attention to detail and problem-solving capabilities
- Excellent communication and organizational skills

For the successful candidate, we offer a great working environment & competitive package. If you have an interest in product development and retail, enjoy a challenge in a strong team environment and are interested in helping to grow a business we are interested in talking to you.

The first 26 weeks of the role will be predominantly office based with potential for flexible working arrangements in the future. John Deere is an equal opportunities employer. For further details and to apply visit www.deere.co.uk Careers page, Job-Opportunities-UK. If you currently work for John Deere, please apply internally.

Closing date: Sunday, 8th May 2022
